CANADIAN WASTE SECTOR SYMPOSIUM - WASTE TO RESOURCE

November 1 – 3, 2010

**Westin Bristol Place Toronto Airport
950 Dixon Road, Toronto, Ontario**

An exciting, inaugural Canadian Waste Sector Symposium will be taking place November 1 - 3, 2010 at the Westin Bristol Place Toronto Airport Hotel, in conjunction with the Canadian Waste & Recycling Expo (being held at the International Centre from November 3-4, 2010).

This 2 1/2 day event will include options for three tours (Composting & Organics Processing; MRF's and Transfer Stations; Electronics Recycling, Collection and Processing), and 1 1/2 days of sessions covering a variety of topics - Hazardous Waste Management, Organic Waste Management, EPR & Waste Sector Servicing, Green Energy, Waste Disposal & Transfer, Waste Management General Issues, and Waste Audits and Servicing.

OWMA is also very pleased to announce our very special Keynote Dinner Speaker –

MR. GORDON MCGUINTY - THE REAL STORY BEHIND THE ADAMS MINE

An entrepreneur, Gordon McGuinty was responsible for the Rail Cycle North consortium, which included some of North America's largest rail and waste corporations and was awarded the largest waste management contract in Canada. For fourteen years McGuinty was the force behind the Adams Mine landfill project as a solution to Ontario's garbage disposal crisis. Today, when he is not speaking to interested audiences, he divides his time between his residence in the mountains of Alberta and his office in Ontario.

The OWMA is very pleased to be working with the Westin Bristol Place Toronto Airport Hotel, 950 Dixon Road, Toronto, Ontario as our host hotel and we have negotiated a discounted rate of \$139/night plus applicable taxes. There are many advantages to staying at the "host hotel", including complimentary parking, complimentary shuttle service to and from Toronto's Pearson International Airport, 10% off meals at the hotel (wear your badge), networking opportunities with fellow symposium attendees and complimentary shuttle service to and from the International Centre for the Canadian Waste & Recycling Expo. Visit the housing website to book your discounted room rates.

<http://www.starwoodmeeting.com/StarGroupsWeb/res?id=1008040729&key=BDAF3>

"Canada's waste management sector needs a national forum to bring together sector stakeholders to discuss new ideas, share knowledge and begin the development of a national voice and what better venue to hold a new, national symposium than in conjunction with Canada's hugely successful Canadian Waste & Recycling Expo (CWRE)" said Rob Cook, President of the Ontario Waste Management Association (OWMA).

Monday, November 1st, 2010 - Waste Sector Facility Tours

One day of tours of leading Waste Disposal & Recycling facilities in the Greater Toronto Area and Central Ontario that transfer, manage, process and dispose of a variety of materials from both the Residential stream and the Industrial, Commercial and Institutional (ICI) sectors . The tours will depart from and return to the Westin Bristol Place Toronto Airport Hotel – approximate time 8:00 am – 5:00 pm. Included in the tour is tour sites, bus transportation, lunch and resource materials. **ALL PARTICIPANTS MUST HAVE A HARD HAT, SAFETY SHOES AND SAFETY GLASSES. Seating is limited, so book your spot early.**

<p>Tour 1: "Composting & Organics Processing"</p> <p>City of Toronto – Anaerobic Digester Miller Waste Systems Organic Resource Management Region of Peel – 2 sites</p>	<p>Tour 2: "Material Recovery Facilities (MRFs) and Transfer Stations"</p> <p>City of Toronto Miller Waste Systems Region of York Wasteco</p>	<p>Tour 3: "Electronics Recycling Collection & Processing"</p> <p>Global Electric Electronic Processing (GEEP) MaSeR OES Consolidation facility SIMS Recycling Plant Toronto Recycling Inc.</p>

6:00 p.m. **Canadian Waste Sector Symposium – Welcome Reception**
7:00 p.m. Sutton Ballroom
Westin Bristol Place Toronto Airport Hotel

Join with other CWSS/CWRE registrants for a reception prior to enjoying the evening in the Toronto Airport area – many fine restaurants and establishments within a short drive – visit http://www.dine.to/toronto_gta_area_airport_district_venue_restaurant to see a list.

Tuesday, November 2nd, 2010 - General Session

8:45 a.m. - **Opening & Welcome**

9:00 a.m. - **"Waste Management from a National Perspective"**

9:30 a.m. Honourable Jim Prentice, (invited)
Minister of the Environment (Canada)

9:30 a.m. - **"The Canadian Council of Ministers of the Environment (CCME) - Extended Producer Responsibility and other Provincial Waste Management Issues"**

10:00 a.m. Honourable Charlene Johnson, (invited)
Minister of Environment and Conservation (Newfoundland & Labrador)

10:00 a.m. - **Refreshment Break**
10:20 a.m.

10:20 a.m. - **"A Private Sector Perspective on the Management of Solid Waste in Canada - Challenges & Opportunities"**

10:50 a.m. Keith Carrigan, Director, Vice Chairman and Chief Executive Officer
BFI Canada Inc.

10:50 a.m. - **"Energy Policy and Green Energy in Ontario"**

11:20 a.m. David Lindsay, Deputy Minister (invited)
Ministry of Energy and Infrastructure (Ontario)

11:20 a.m. - **"A Perspective on the New Imperatives Influencing Municipal Waste Management in Canada"**

11:50 a.m. Roger Anderson, Regional Chair and CEO
Region of Durham

11:50 a.m. - **"Hazardous Waste Management in Canada – Business & Regulatory Impediments to Meeting the Changing Needs of Canadian Businesses and Municipalities"**

12:20 p.m. Alan Cadotte, President and Chief Executive Officer (invited)
Newalta Corporation

12:30 noon - **Luncheon**

Tuesday, November 2nd, 2010 – Workshop Tracks

	TRACK A: Hazardous Waste Management	TRACK B: Organic Waste Management	TRACK C: EPR & Waste Sector Servicing	TRACK D: Green Energy
