

# Spills Prevention Workshop

## October 27 and 28, 2009

# Spills 2009

## Take Action.

A spill can have devastating consequences, from cleanup costs and fines, to wasted time and damaged assets. Businesses can't afford not to be prepared. These workshops will educate businesses on how to minimize the risk and liability to their operation by learning how to reduce the potential for spills.

### Day 1 – October 27, 2009

#### SPILLS PREVENTION AND RESPONSE

Experts will offer insight on:

- The Clean Water Act
- Pollution Prevention Reviews
- Environmental Impacts of Spills
- The Role of First Responders
- Your Legal Obligations
- Spills Prevention Toolbox
- Spills Action Centre Overview

### Day 2 – October 28, 2009

#### RESPONSE TRAINING AND SIMULATION

Take a step outside the classroom and experience:

- Brantford Fire Department spills role
- Personal Protective Equipment demos
- The 8 Steps of Response
- Hands-on spills response activities

Be prepared for the unexpected.

#### Location:

T.B. Costain SC Johnson Community Centre
