PREPARE • PREVENT • RESPOND

PROGRAM OUTLINE

Day 1: Spills Prevention and Response Thursday October 13, 2011

Topics include:

1. *Protecting our drinking water*
 - Understanding the Clean Water Act and what it means to your business
2. *Preventing a spill*
 - The steps to auditing your own facility
 - The rewards of making a plan
3. *Preparing for a spill*
 - Developing a spill prevention and response plan
4. *Responding to a spill*
 - What is considered a spill
 - The first 24 hours: what you need to do and what to expect
 - Your legal obligations
 - Tools and equipment: your must haves

Day 2: Response Training and Simulation Thursday October 13, 2011

(Attendance on Day 1 required.)

Step outside the classroom and experience:

- Personal Protective Equipment (PPE)
- The eight steps to spills response

WHY ATTEND . . .

A spill can have devastating consequences, from cleanup costs, fines and health implications, to wasted time and damaged assets.

Learn from the experts. Develop strategies that will help your business implement best management practices to minimize the risk and liability to your operations.

WHO SHOULD ATTEND . . .

- ✓ Any business involved with the transporting, handling and/or storage of hazardous materials
- ✓ Management and environmental officers
- ✓ Health and safety managers
- ✓ Environmental consultants
- ✓ Employees working with or around hazardous materials.

LEARN ABOUT . . .

1. Environmental impact of spills and your legal obligations.
2. Preventing, preparing and responding to a spill.
3. Why planning and preparing for a spill makes both financial and environmental sense for your business.

TIMELINE

Day 1:	8:00 – 8:30 a.m.	Registration and coffee
	8:30 a.m.	Workshop begins
	12 noon	Lunch provided
	3:30 p.m.	Wrap-up
Day 2:	8:00 – 8:30 a.m.	Registration and coffee
	8:30 a.m.	Workshop begins
	12:30 p.m.	Wrap-up

DO YOU WORK WITH HAZARDOUS MATERIALS?

Hazardous materials include motor oils, paints, fuels and other chemicals. If your business has any involvement with hazardous materials you should be registering for this workshop.
